MainStreet Bank is authorized to make debit and credit entries to the account(s) and for the purpose indicated above. I also authorize the Bank to initiate any necessary credit entry to correct an erroneous debit entry to my account. If this item is returned unpaid, I authorize an additional returned check fee of the maximum amount as allowed by law to be charged to this account. I acknowledge that the origination of ACH transactions to my account must comply with the provisions of U.S. Law. This authorization is to remain in full effect until the Bank has received written notification from me, and not after three (3) business days prior to the next scheduled monthly draft. I understand that it is my responsibility to have funds available in my account on each payment date until the monthly payment is deducted. As long as I meet this responsibility and if the purpose of the automatic funds transfer is to make loan payments, my loan payment will be considered current and I will not incur any late charges. I understand that a fee may be assessed for any payment returned to the Bank.
