

## HOW TO MAKE A MOBILE DEPOSIT

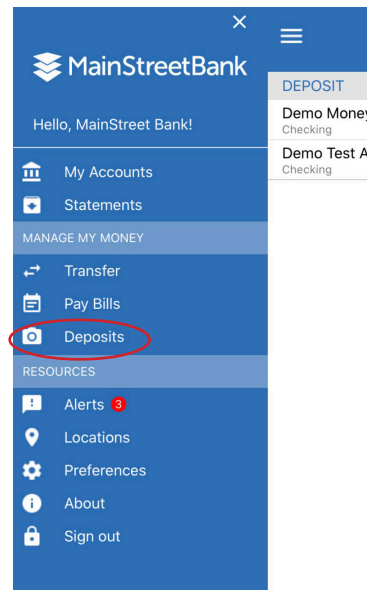

---

### Step 1 Log into our app using your NetTeller credentials

- You need to request the ability to make remote deposits beforehand.

### Step 2 Tap the Navigation Icon in the upper left corner, and select “Deposits”

- On the Deposits page, it will indicate “No deposits found.”

### Step 3 Select the plus icon “+” on the upper right

### Step 4 Click “Front of Check”

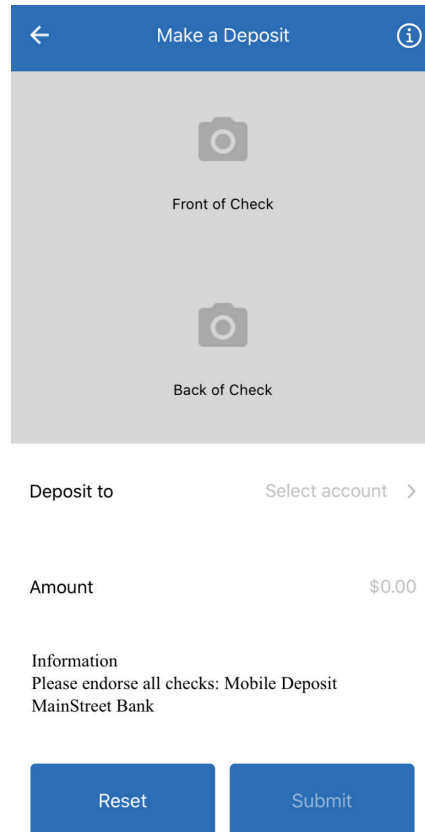

- When prompted to grant access to the MainStreet Bank app to use your camera, choose “OK”.
- Take a photo of the front of your check

### Step 5 Click “Back of Check”

- Repeat process from Step 4

## Step 6 Select the account you want to deposit into, and enter the amount of the check

- Click “Deposit to” and select the account you want to deposit into  
Click “Amount” and enter the amount of the check

The screenshot shows the 'Make a Deposit' screen in a mobile app. At the top, there is a blue header with a back arrow, the text 'Make a Deposit', and an information icon. Below the header, there are two camera icons for scanning the check. The first icon is labeled 'Front of Check' and the second is labeled 'Back of Check'. Below the camera icons, there are two input fields: 'Deposit to' with a dropdown menu showing 'Select account >' and 'Amount' with a text input field showing '\$0.00'. Below these fields, there is an 'Information' section with the text 'Please endorse all checks: Mobile Deposit MainStreet Bank'. At the bottom, there are two blue buttons: 'Reset' and 'Submit'.

## Step 7 Click “Submit” when all fields are completed
