

HOW TO NAVIGATE NETTELLER

After you have successfully logged in to NetTeller for the first time, take some time to familiarize yourself with the navigation and functions available to you. Based on your selected services and permission sets, you may see a different set of options than below.

Navigation

1. The Main Navigation will stay visible as you move from selection to selection.
2. The Sub-Navigation will provide additional options and change with each Main Navigation selection.
3. In some instances, there may be a secondary Sub-Navigation that expands your service options.
